In an effort to better serve our customers, we have increased our welding capacity with the acquisition of our new Genesis Versa2 Robotic Welding Workcell. Let us show you how this new equipment can reduce your cost and improve your product.

- Dual stations allow welding and loading at the same time.
- Clean consistent welds
- Allows up to 5' x 10' fixtures
- Each station can rotate 360 degrees
- Weight capacity up to 5,000 lbs
- Up to 4 times faster than manually welding
- Handles multiple part numbers simultaneously

"Our Part - Helping You"

This statement reflects our attitude toward you, the customer. Our part is to provide you with the right product, at the right time, and for the right price.

WE ARE ISO 9001:2000 CERTIFIED
